Internal Users may be authorised to: -?Review listings and media -?Approve, reject, or suspend listings -?Flag suspicious behaviour -?Apply policy enforcement actions

All decisions must be: -?Made in good faith -?Based on documented policies -?Free from bias, discrimination, or personal interest

PropatyHub retains full discretion over final decisions.

-

- No Personal Use or Exploitation

You must not: -?Use internal access for personal gain -?Contact users outside approved workflows -?Exploit privileged information -?Facilitate off-platform deals

Any attempt to do so is considered gross misconduct.

-

- Security Obligations

You are responsible for: -?Securing your credentials -?Using strong passwords and MFA where required -?Reporting suspected breaches immediately

You must not: -?Share credentials -?Circumvent security controls -?Install unauthorised software on company systems

-

- Legal Documents & Policy Management

Only authorised Internal Users may: -?Draft, edit, or publish legal documents -?Change document status (draft ? published ? archived) -?Configure jurisdictional applicability

All legal changes must: -?Follow internal approval processes -?Be auditable and versioned -?Be implemented with effective dates

-

- Communications & Conduct

Internal Users must: -?Act professionally and respectfully -?Avoid harassment or discrimination -?Communicate clearly and honestly with users

You must not: -?Make guarantees on behalf of PropatyHub -?Provide legal, financial, or regulatory advice -?Represent personal opinions as company policy

-

- Incident Handling & Escalation

Internal Users must: -?Escalate safety, fraud, or legal risks promptly -?Document incidents accurately -?Follow incident response procedures

Failure to escalate may expose PropatyHub to risk and is a breach of duty.

-

- Monitoring & Audit

PropatyHub may: -?Monitor internal activity -?Audit logs and decisions -?Review communications and access patterns

There is no expectation of privacy when using internal systems.

-

- Suspension & Termination of Access

Access may be suspended or terminated immediately if: -?These Terms are breached -?Security risks are identified -?Employment or contract ends

Termination of access may occur without notice where required to protect the Platform.

-

- Limitation of Liability

To the maximum extent permitted by law: -?PropatyHub is not liable for errors made in good faith -?Internal Users are protected when acting within authorised scope

However, this does not cover: -?Fraud -?Wilful misconduct -?Gross negligence -?Criminal acts

-

- Indemnity

Internal Users agree to indemnify PropatyHub for losses arising from: -?Unauthorised actions -?Policy breaches -?Misuse of internal systems -?Disclosure of confidential information

-

- Changes to These Terms

PropatyHub may update these Admin Terms at any time.

Continued internal access constitutes acceptance of updated Terms.

-
